I write in protest of Dominion Energy's request for a rate hike -- tax payers are already footing the bill for Dominion's purchase, costs for the service have risen since Dominion acquired SCE&G, and the company is overcharging customers: for example, they have used the WNA calculation, stating, "Base - First 176 Therms X (\$ 1.257440 + \$ 0.015800 WNA) - \$ 0.95 The Billed WNA Is A Result Of Warmer Than Normal Weather" to justify charging customers for more wattage than used because warm temperatures resulted in lower charges; however, when we've had extremely cold weather, Dominion expects customers to pay costs above their normal averages. Tax payer customers are already bearing the burden of paying for the \$2 billion dollar disaster of the failed construction at the V.C. Summer Nuclear Station in Fairfield County since Dominion did not follow through with the \$1000 rebate they promised as part of the deal when they bought out SCE&G. In fact, Dominion has not held to their
